- 100% Recyclable

A fast growing company

Canadian Business and Maclean's today ranked Laminacorr Industries Inc. No. 375 on the 30th annual Growth 500, the definitive ranking of Canada's Fastest-Growing Companies. Laminacorr Industries Inc. made the 2018 Growth 500 list with five-year revenue growth of 157%.

Advanced equipment

Laminacorr is proud to have the most advanced corrugated plastic extrusion department in North America, allowing us to better cater to the Graphic Arts industry. Flutecorr® Graphics offers a smooth, square, corona treated sheet ensuring outstanding print quality.

For your convenience

Flutecorr® Graphics can be boxed to reduce repackaging costs and to increase the products protection during transport. Flutecorr® Graphics can be purchased up to 100" across the flutes. We are canadian-owned and fully integrated allowing us to provide die cut and finished goods. We also offer custom color and additives.
